VIN #	**11111111111111111**
Learner Approved	**Yes**

Beta's RR X-PRO range struck a chord with Australian riders following its launch in MY25 — and for MY27, the X-PRO range gets further refinement and even more features. Whether you're chasing single track through the bush, blasting down open fire trails, or wrestling rocky hard enduro lines, there's no better enduro companion than an RR X-PRO.
