 Vehicle Type New	 Bike Type Motocross	 Engine Size 327 cc	 Colour GREEN
 Transmission 6 Speed MANUAL	 Fuel Type PETROL	 Stock MY27KX327X	

The KX™327X features Kawasaki's first fuel-injected 2-stroke single-cylinder engine delivering consistent torque in a lightweight package. It is the perfect balance of raw power and sophisticated control that ushers in a new era of off-road performance. The new engine offers a linear power character with crisp throttle response and strong traction at ultra-low...
